Event Sponsorship Opportunities

2025 MGRMC Foundation Gala

SATURDAY, SEPTEMBER 20, 2025

MANOR 415

“HEART OF THE VALLEY”

The MGRMC Foundation is transforming the Manor 415 Conference Center into an elegant night to remember funding one of the most consequential additions in our history. Our new Heart Catheterization Lab, along with our new Cardiology program will save lives in Southern Arizona. The Cath-lab offers invasive cardiology care to treat heart attacks and more- services that currently require patients to be flown to another facility hours away. We're thrilled to once again be dancing along with the The Hamptons, voted Arizona's Best Live Band ten years in a row.

The MGRMC Foundation ensures that MGRMC always has the financial security to provide quality and compassionate care. Our mission is to create and cultivate opportunities to obtain a steady and sustaining stream of inspired charitable giving so our hospital can better serve our community. This gala will allow us to do just that.

Our community-owned critical access hospital is the only hospital in Graham and Greenlee County and 125 miles from a higher level of care in Southern Arizona. Since the beginning, our foundation has raised millions of dollars to furnish patient rooms, OB birthing beds, 45+ nursing scholarships, and nearly one million dollars for our Cancer Center. Last year, you helped us raise \$279,000 for new fetal monitoring systems in our OB department for babies and mothers. Thank you for being the heart of our hospital and driving the force behind our mission.
